**Re: New Millennium Political Action Committee
FEC Identification #C00349233**

Dear Mr. Maxwell:

This is in response to your letter dated February 14, 2001 concerning the October Quarterly Report (7/1/2000-9/30/2000) of the above-referenced Committee.

The Committee is aware of its requirements to establish "best efforts." The Committee's general practice is to request an individual donor's full name, mailing address, occupation and employer in its initial solicitation materials. If this information is not provided when the contribution is received, the Committee then sends the donor the attached best efforts letter.

For the report in question, however, the best efforts letters were inadvertently not sent to the donors. Attached please find the Committee's amendment disclosing the new information it has received since the report was filed. All other information has now been requested.

We hope that this information adequately answers your questions. If you need any additional information, please do not hesitate to contact the Committee.

Very truly yours,

Marc E. Elias
